

Building On Our Past ... For a Strong Future

As a part of the completed Ladue Horton Watkins High School renovation, inscribed bricks have been placed at the beautiful new Dr. Donna Jahnke Student Plaza (south entrance) to LHWHS.

The Ladue Education Foundation & Alumni Association (LEF) is making additional bricks available to students and families, alumni and community members, with funds going toward LEF's capital campaign for the high school. **Brick purchases are 100% tax-deductible.**

You can be a permanent part of the LHWHS renewed campus by purchasing a brick to commemorate a team, honor a teacher, remember a loved one, give your child a lasting graduation gift or simply celebrate your own years as a Ladue School District student!

Bricks are available in two sizes: 4x8 and 8x8. The 4x8 allows three lines of text with no more than 15 characters each (including spaces). All text will be capitalized and centered. The 8x8 has room for six lines of text OR three lines of text and the oval Rams logo. See reverse for order form/instructions or go to laduefoundation.org/bricks to order online.

Participate in Ladue Horton Watkins High School history and help us create a meaningful welcome with your words – connecting our past to our present and our future.
